

Mission Statement:

The mission of the KFMG is to engage, inspire and educate artists and the public at large by promoting local and regional visual arts through the collection, recognition, documentation, and the publication of relevant works of American art. The gallery exhibitions are designed to not only include original artwork but also the story behind the artist and their work. Exhibitions are also designed to promote local tourism and inspire creative industry. Exhibitions will include a Permanent Collection, which is designed for the enrichment of present and future generations, as well as rotating exhibits.

History of the Organization:

The KFMG was established in November of 2011 and was incorporated and in 2013. Utilizing exhibition space donated by the City of Wetumpka to date, the organization has hosted the following exhibitions: (note: * indicates the artist list follows on the pages below)
